

# FRIDAY NEWS

4TH FEBRUARY  
2022

The official newsletter of St James CE Primary School

## NEW WEBSITE

This week, we have launched our new website. The site will contain up-to-date information about school, including policies, letters and links to other helpful sites.

Please take time to look at our parent and pupils pages. These contain useful information about holidays, online safety and mental health & wellbeing.

Our pupil page contains all the link your child needs to continue with their learning at home. All links that require passwords are provided by school. Please ask your child's teacher if they need a reminder of these details. These include Time Table Rockstars, Oxford Owl and SeeSaw.

Although some pages are still under construction, we would welcome any feedback or suggestions about anything that needs to be added or changed with the site.

We hope you find the new site useful and easy to navigate. Please visit us on [www.st-james-farnworth.bolton.sch.uk](http://www.st-james-farnworth.bolton.sch.uk) or search for us on google.

## STARS OF THE WEEK

Class 1 - Burhan K

Class 2 - Jacob W

Class 3 - Teagan-Rae W

Class 4 - Waad M

Class 5 - Damien J

Class 6 - Jessica N

Class 7 - Bobby H

Class 8 - Lola H

Class 9 - Lily F

# COVID-19 UPDATES

Please do not send your child into school if they are showing symptoms of covid.

From Tuesday 11th January, new government guidance says that if your child tests positive on a lateral flow test they will not need a follow-up PCR test. Your child will need to self-isolate immediately for up to 10 days. Please see the most up to date guidance on self-isolation as this has changed from Monday 17th

If your child is classed as a close contact of someone with covid - they will be allowed to continue coming to school (as they are under 18 years and 6 months). IF they have no symptoms and IF they test negative on lateral flow tests on a daily basis (for 7 days) since becoming a close contact. If your child is in this position, we will need you to send their daily negative lateral flow test results to the school office email address which is: [office@st-james-farnworth.bolton.sch.uk](mailto:office@st-james-farnworth.bolton.sch.uk) If your child tests positive on a lateral flow device then they cannot come to school and must begin self-isolation (see above). Please contact the school if you need further clarification on this.

If you need lateral flow tests for your child you can order some online from [www.gov.uk/order-coronavirus-rapid-lateral-flow-tests](https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests) or your local pharmacy may be able to help.

Visitors into school, which includes parents, will need to wear a face-covering - including when visiting the school office. Please respect that one family/person is allowed in the office area at one time. This is in place to keep you safe.
