## KSI & LKS2 SPORTS DAY

On Wednesday, key stage one and lower key stage 2 children completed their sports day. The weather was fantastic, as was the children's behaviour. Children completed various exciting races and activities, such as running races, shot put, hurdles and balancing.

The children had so much fun and it was wonderful to see so many parents come out to cheer on the children.

### Just to remind parents:

- Upper Key Stage 2 sports day - 29th June @ 9:30 am.
- Reception sports day - Wed 6th July @ 1:30 pm

Photographs cannot be taken of other children but you are welcome to take photographs of your own children after they have competed in the event.

## YEAR 6 SWIMMING

Well done to all our year 6s for completing their swimming programme. The children have completed a two-week intensive programme and spent every afternoon practising different strokes and other water-safety skills. It was wonderful to see the children progress each day and gain water confidence to be able to stay safe when near water.

## SUMMER FAIR

The school's summer fair will take place on Friday 1st July at 2:30 pm. This means that the school will close early for children and they will need to be collected from school at 2:30 pm. This is to allow for our children to enjoy the fair with their families. We look forward to seeing you there.

## WARM WEATHER

As the weather continues to stay warm, please ensure you send your child into school with a water bottle with water in so they can stay hydrated throughout the day. Your child can also wear a hat when they are outside (please put their name inside) and parents may want to apply sun cream before arriving at school.
