"With God, there is no limit to what you can do. There is no obstacle you can't overcome. Through Him all things are possible." Matthew 19:26

Friday 6th June 2025

Dear parents/carers,

We need your co-operation on an important matter.

One of our pupils is receiving medical treatment for cancer, which puts them at risk if they are exposed to measles, chickenpox, or shingles.

Please let us know immediately if your child is suspected of having measles.

Our pupil is also at risk from chickenpox and would need to be given an injection within 3 days of contact. If your child is suspected of having chickenpox, you should inform us immediately.

It is also important that you let us know if there are shingles in your household.

Your child is not at any risk of this situation. However, the health and well-being of our pupil who is at risk does depend on the co-operation of all other parents, and we hope you can help us.

Yours sincerely,

Mrs Belfield
Headteacher
