ROMAN DAY

On Tuesday, lower key stage 2 celebrated coming to the end of the history unit with a special Roman day with a Roman visitor. They learnt all about how the Romans carried out daily life and activities. The children were able to play games such as tic-tac-toe, make bread, wash themselves, create Roman weapons and also write their names in Latin! In the afternoon, they spent some time having a look at some important artefacts, trying on Roman armour and also participating in a small battle - protecting themselves with a shield barricade. The day was enjoyed by all the children and even the teachers got to dress up as Romans for the day.

CHRISTIAN VALUE

Our Christian value this half term is
Honesty.

BIBLE QUOTE OF THE WEEK

*I know, my God, that you test the heart
and are pleased with integrity.*

Chronicles 29:17

PARKING

When parking near school or in the surrounding area, please be considerate of our neighbours. We have had a number of complaints made at school regarding driveways being blocked during drop off and pick up times. Thank you for your continued support.

SCIENCE FESTIVAL

Today, year 5 went to the University of Central Lancashire for a science festival. They took part in scientific activities, flown drones, looked at fungi through microscopes, and went inside a giant, inflatable gut.

The behaviour of the children was exemplary and a fun time was had by all. Look out for photos on Facebook.

Eco Team work hard to ensure that recycling happens across the school to promote sustainability and teach children to look after the environment.

This year, the team promoted energy-saving ideas in an assembly and they were active in Class 8's 'Earth Day' assembly.

Recently, they have been involved in litter picking in the community to encourage others to keep the area clean.

Next half term, Eco Team will focus on enhancing the school environment by planting flowers and encouraging others to go outdoors more.

Looking After Your WELLBEING ONLINE

We all know that taking care of our minds and bodies is essential to keep us feeling happy and healthy. The thing is, we spend so much of our time online these days that it's also important that we remember to look after ourselves in the digital world, too. Our poster has got some simple but useful tips for supporting your wellbeing while you're gaming, on social media or just using the internet.
