## FUNDRAISING FRIENDS

Thank you for your continued support with all the fundraising activities this year. Your generosity has helped provide invaluable opportunities for the children of St James.

Fundraising Friends is a significant group of volunteers that helps raise extra funds for the school. The school relies on the generosity of its community so that we can provide additional opportunities for all our pupils.

**If you have any fundraising ideas or would like to get involved in fundraising activities then please join us at the next Fundraising Friends meeting on Friday 20th May at 2:30 pm. We would love to see you there.**

## WELL DONE, YEAR 6

This week, year 6 completed their Key Stage 2 SATs. All the pupils and the year 6 team have worked incredibly hard all year and, this week, their hard work paid off. All the children were extremely focussed and resilient.

Well done to all of year 6 and the staff that have helped them along the way. We are all proud of you.

"With God, there is no limit to what you can do. There is no obstacle you can't overcome. Through Him all things are possible."  
(Matthew 19:26)

## ATTENDANCE REWARD

Thank you to those of you who are ensuring your child is here on a regular basis but attendance is still a real worry at the moment. Please make sure that your child attends school every day.

As an incentive to improve attendance and as a reward for those children who do have excellent attendance, we are going to hold a prize draw for a huge cash amount.

Between next week and the end of the school year, any child that has an attendance rate of 96% or more will be entered into a prize draw with the chance to win £50 in Amazon vouchers. There will be two prize draws; one for Reception & Key Stage 1 and one for Key Stage 2.

**If your child's attendance rate is already below this target, they can still win! They will need to achieve 96% or more between Monday 16th and the end of the school year to be entered into the draw.**

## SPECIAL REQUEST

A lot of our nursery and reception outdoor equipment is being damaged due to older children using it when dropping off and collecting younger siblings. This equipment is not made for older children. Please help us keep this equipment safe for our youngest pupils by refraining older children from using the equipment.
