YOUTH ENVIRONMENT SUMMIT

On Thursday, Miss Thomas took 3 children to the University of Bolton Stadium for the Youth Environment Summit (YES) 2022.

The event was to teach young people how we can help the environment and make changes to ensure a sustainable future for themselves and their families. The children enjoyed learning, participating and listening to some inspirational people. Their behaviour was amazing and they represented our school superbly. Granada Reports were also there filming on the day!

Bolton Youth Voice, who organised the event, were there and have some great initiatives for young people in Bolton, such as 'Be Kind to My Mind' and a bereavement cafe in the town centre. More information about these services are available on our website.
