St James Friday News 05.02.21

Don't forget you can find lots of important information on our website:

<http://st-james-farnworth.bolton.sch.uk/>

Our 'Calendar' is updated on a regular basis with important school dates.

Parents' Evening

Next week should be Parents' Evening, which we would have done over the telephone. We have been making regular calls home to parents over the last few weeks to discuss your child's remote learning. We have texted out a link to a Microsoft Form for you to complete to ask if you want an additional phone call or not. Please respond so that we are aware of your wishes. We will not be making calls home next week unless you request the parents evening call. Thank you.

Safer Internet Day

Next Tuesday it is Safer Internet Day so we will be tailoring our online learning plans to accommodate this event. Please keep an eye on your child's online learning platform and the school Facebook page for information.

Friday 12th February

This day was originally planned as an INSET day, however, we ended up having to use this day on Tuesday 5th January to help us prepare for restricted attendance to school. Therefore, on this day school will now be open. Children who are currently attending on site will be able to come to school that day and for children who are working at home we will continue to provide remote learning. We do finish for the half term holiday on Friday 12th for one week.

Star of the Week
