Our 'Calendar' is updated on a regular basis with important school dates.

Eid

Eid Mubarak is fast approaching, we would like to wish all our children and staff who will be celebrating a wonderful family time.

We will be having an Eid super learning afternoon in school on Monday 17th May.

Well-Being Super Learning Week

Week commencing Monday 24th May will be our well-being week and we are really excited to be welcoming Healthy Minds UK into school to work with our pupils. Children will learn about different parts of the brain and develop knowledge relating to the top things they can do each day, to help look after their mental health. They will also get to go inside a giant brain! Throughout these sessions the children will learn about mental health, well-being and resilience.

Bounce Back Sessions

Year 5 will also take part in some sessions delivered by Bounce Back, these sessions will also teach the children about mental health, well-being and resilience.

We are looking forward to working with both of these organisations.

Travel Tracker

This year's walk to school challenge is called **WALKING SUPERPOWERS**. It will focus on the superpowers that benefit individuals, communities and the planet.

Each day pupils will be introduced to a brand new 'Walking Superpower' taking the form of a fun **comic-book inspired design**.

Walking has so many benefits from physical to mental wellbeing; aiding concentration and creativity and creating safer, less polluted and more welcoming streets. All that makes for a happy, healthy child set up for success in and out of the classroom. We use travel tracker every day in school and cannot wait to celebrate our Walking Superpowers. We hope you and your child can enjoy walking to school each day during this week's walk to school week!

Year 4 Swimming

If your child is in Year 4 you should have received a letter about them having swimming lessons. Please ensure that you sign and return the letter to enable your child to participate in the swimming lessons.

School Photographs

School photographs will take place on Friday 25th June—this date may change due to the national situation that we are in. We will keep you updated as time goes on. Thank you.

Reading Books and Records

Please can you ensure that your child brings their reading book and record to school every day. If your child has mislaid their reading book or record please speak to their class teacher. Thank you.

Water Bottles

Due to the current situation the children do not have use of the water fountains in school, therefore it is really important that children bring a water bottle (water only) into school with them each day. Thank you for your support.
