Our 'Calendar' is updated on a regular basis with important school dates.

Harvest

Unfortunately we are unable to host our usual Harvest service in the school hall this year. Therefore we will have a virtual Harvest service that our Year 3 children are putting together that will be on our YouTube channel from Wednesday 14th October. We will still be accepting your kind donations of food which will be distributed to Farnworth and Kearsley Foodbank. The food bank has served our community well throughout lock down and it will be our pleasure to give something back. Please bring your donations to school on 14th October some suggestions of what to bring are: tinned meat, tinned fruit, rice pudding, long life fruit juice, UHT milk, instant coffee, tea bags, toilet rolls and nappies. All donations will be gratefully received.

Cross Country Competition

This week KS1 and KS2 competed in a virtual cross country competition against other schools in the cluster. KS1 ran 500 metres and KS2 ran 1000 metres. The children enjoyed taking part in the competition and we are looking forward to receiving the results.

School Photographs

Usually we have our school photographs at this time of year, due to the current situation our trust have taken the decision to move them to the Summer term, therefore our school photographs will take place on 27th April 2021.

Hand Hygiene Programme

As part of the Health and Wellbeing/Personal Hygiene programme within school our children have been invited to take part in a practical session. All children will take part with this session, if you **do not** wish your child to take part please complete and return the letter that was sent out earlier this week.

Health Checks

Each year in England, school children in Reception have their height and weight checked as part of the National Child Measurement Programme and vision screening. Unfortunately, due to the early closure of schools our children weren't measured or have the vision screening. The Healthy Families Team are delivering a catch up programme for the children in Year 1, this will take place on 22nd October in school. You should have received a letter providing more information with regards to this service, if not please ask for one at school.

We will also be offering the flu vaccine (nasal spray) to children, hopefully this will be on 12th November. The paperwork for this will follow.

Up and coming events

Class 11 will be doing a Virtual Class Assembly to be put on our YouTube channel on Wednesday 11th November.

Children in Need non-uniform day will be on Friday 13th November, all we are asking for is £1.00 donation for this good cause.

Please see the parent calendar for more dates and events that we are going to try and do. The parent calendar can be found on our school website under the parents section, letters.
