Our 'Calendar' is updated on a  
regular basis with important  
school dates.

## Welcome Back

A huge welcome back this week to all our wonderful pupils who make our St James family the fantastic place it is. The children have been incredible this week! They have settled in well and have been exceptionally well behaved. Keep up the good work children!

## Staffing Updates

Good luck to Miss Mahmood who starts her maternity leave on Monday. We wish her and her family lots of love as they await their new arrival! Mrs V. Patel from our multi-academy trust will be the acting SENDco in Miss Mahmood's absence. Congratulations to Miss Swindells who got married over the holidays and has returned to work as Mrs Finch.

## PE Days

Reception—After Christmas	Class 7— Monday
Class 3— Wednesday	Class 8— Monday
Class 4— Friday	Class 9— Monday
Class 5— Friday	Class 10— Thursday
Class 6— Tuesday	Class 11— Monday

A reminder that children come to school on their PE day wearing their kit (white PE t-shirt and navy shorts) with school jumper/cardigan over the top. If it is cold weather children can wear black, grey, navy joggers or leggings. We are allowing children to wear trainers instead of pumps (if you choose) as they will be travelling to and from school in their kit and playing out at break and lunch in it too—pumps are not always waterproof!

## Parents Evening

We will be running our first parents evening this year during the week beginning 27th September. We have decided to carry out telephone consultations on this occasion. This was very successful last year. We will hopefully host a face-to-face parents evening in the Spring Term. More information will follow soon. We have an open door policy for parents, so you are welcome to arrange a meeting with your child's teacher during any point in the school year.

## One-Way System

We have had some feedback from a few parents about the use of the pathways around school since returning to school, and that they felt the one-way system we had in place last year worked better rather than going back to how it used to be pre-covid. Whilst we will not enforce a one way system at this point, we strongly encourage you to make use of the system we had in place last year. It really does help to keep smooth and safe movement along the pathways. Thanks for your support.
