Our 'Calendar' is updated on a
regular basis with important
school dates.

Infant Disco

Our Fundraising Friends are holding an Infant disco on Thursday 21st November 3:15pm until 5:00pm. Tickets are on sale now at a cost of £1.00 per child. On the day children can come to school in their own clothes, ready to enjoy the dancing and games that we have planned for them. There will be a tuck shop at the disco, please send your child with some money on the day to enable them to buy refreshments (our suggestion would be £1.00).

Penny Wars Competition

As you are aware our Fundraising Friends have just run a penny wars competition. Each class had a jar that they had to fill with loose change. We are pleased to announce that the winning class was Class 6 with a fantastic amount of £20.02, they have been presented with a class prize that can be used during wet play and lunch times. The total amount raised was £105.21. All our fundraising efforts this term will help to pay for a travelling pantomime that will visit school on 6th January. Thank you for your continued support.

#ARK Week

Next week in school the children and staff will be thinking about acts of random kindness, this could be holding the door open for somebody, helping out a friend and I'm sure the children will have more ideas. Kindness carries no price tag neither does it require making a purchase. We are really excited to see what ideas the children have!

Enterprise Week and Christmas Markets

Week commencing 25th November will be the start of our Enterprise and Christmas Markets week, each class will work together to come up with their own ideas for something to make and sell at the Christmas Markets. We will be holding our markets in the school hall on Friday 29th November at 2:45pm. A special addition to our markets this year will be Santa's Grotto. All parents and carers are invited to come along to our Christmas Markets. On this day you will be able to collect your children from 2:45pm to enable you to browse our market stalls and purchase what your child has made throughout the week.
