Thank you

Many thanks for the support that you have all shown us during what has been a very challenging week for our St James family. Despite the difficult circumstances we have faced this week, I just wanted to assure parents that we are following all government guidance and have been taking daily advice from Bolton Public Health Team and the Local Authority—who are fully aware of the situation at school and are happy with all of the actions we have taken.

I am so sorry for any frustrations that the week's events at school have caused any of you, we are honestly trying our very best under the present circumstances. As always, please do not hesitate to contact me or the school office to discuss any of this further. Again, a sincere and heartfelt thank you for your patience and understanding; it is very much appreciated.
