Fond Farewell to Year 6

Today we say goodbye to our Year 6 pupils. Each and every single one of them have been a superb addition to our St James family. They have been incredible role models with their outstanding behaviour, attitude and effort throughout Year 6. We are going to miss them so much and wish them all the best on their exciting journey to high school.

July 2021

I have nothing but admiration, gratitude and pride for the way each and every member of our Trust, children, staff, families, Governors and Trustees, has approached this very different academic year. Despite the very different ways we have all had to work, our schools have continued to flourish and achieve so much! I am very much looking forward to the new academic year when I can visit all our schools more regularly, deliver worship and work with our children and staff. I would like to wish all the year 6 children across our Trust every success in their secondary schools and look forward to hearing about their achievements in the future.

Everyone now deserves a restful, happy summer with lots of time to relax, ready to start the new academic year.

Have a lovely summer.

God Bless

Canon Jill Pilling. CEO

This has been a memorable year not just for our Trust, but for the whole world - but it has not been a lost year. We have achieved so many things, and I want to say thank you to everyone for all that you have given to the life of our schools. Our school families which, together, make up the larger family of our Trust, are lively and exciting, and I know that you will continue to do everything you can to continue to make them such special places. I am really looking forward to my regular visits to schools again when we come back to school in September but in the meantime, I would like to wish everyone in our Trust a happy and well-deserved holiday.

With very best wishes

Canon Chris Bracegirdle Chair of Trustees
