#FarnworthMatters

Children from Year 3 have been taking part in a project called #FarnworthMatters. The project is happening across 8 schools in Farnworth and is about our aspirations for the future and having a growth mindset. Since September we have met different people from different careers, to learn about what they do and inspire us to have career aspirations for when we leave school. So far, we have met a Bolton Council employee who is in the waste and recycling department, a soldier, a lock gategaman and our local PCSO. We have also worked with Gemma and Liz from GyM to develop our growth mindset. We went to Cherry Tree Primary School last week to meet Chester Zoo employees. We also met our pen pals from Cherry Tree and shared letters with them about ourselves. We are really enjoying the project and have lots more exciting things to come!

Visit to the Bishop of Middleton

Today our worship team were lucky enough to visit the Bishop of Middleton at his home. There they spent some time in his chapel where he talked to them about the different pictures and objects he has in there. They then enjoyed some delicious cake and refreshments in his dining room. The children thoroughly enjoyed the visit.

PE Kits

Please ensure that your child has their full PE kit in school and that all items are labelled with your child's name. This helps our staff to return any mislaid items to the correct child.

Dogs

Dogs are not permitted on the school playgrounds at any time, even if they are being held. We have some children who are afraid of dogs—regardless of the size of the dog and it can never be guaranteed when a dog might decide to make a mess on the premises.

Thank you for your continued support.
