Wednesday 26<sup>th</sup> May 2021

Dear Parent / Carers,

Following on from the letter sent to you earlier this week, we will be sending home, with the eldest child in your family, 2 Rapid Lateral Flow Device (LFD) Tests.

Each kit will have enough tests for you to do 2 tests a week for 3 and a half weeks. Please continue to take the LFD tests twice a week over the coming months to help positive Covid19 cases to be identified quickly and reduce the spread of Covid-19.

Testing is voluntary, but to identify positive cases quickly and help reduce the transmission of the virus, Bolton Public Health strongly encourage everyone in Bolton **over the age of 11** to continue carrying out an LFD Test twice a week

Please note that that Rapid LFD tests are for people with **no** symptoms. Anyone with Covid-19 symptoms, should continue to book a PCR test online, or by calling 119.

You **do not** need to report your test results to school. If your lateral flow device(LFD) test is positive please book a PCR test, let school know and follow the Coronavirus self isolation guidance.

Should you require further test kits please contact school.

Thank you for your continued support.

Mrs L Belfield  
Principal
